BRIEF ABSTRACT OF LETTER.

Forwards copies of correspondence between him & the Ex. Engr, Bangalore re: execution of urgent repairs to the disp^y building at Kankanhalli at an estimated cost of Rs 323/ and requests that the usual grant of Contribution for the work be ordered to be met from Prov^l funds, as the Kankanhalli municipality is working with a minus balance.

NOTES AND ORDERS.

R

In cases in which the cost of repairs of a dispensary is debitable to the Dist & the Prov^l funds, each of the funds should bear a moiety of the cost according to G.O no. 7041-53 / L.F 117-93 dt 16.10.1893.

3. It will be seen from the above that the Kankanhalli municipality is unable to pay its quota of contribution however small. The Dists Board may, if appd, be consulted as to their willingness to contribute half the cost of the work. This may perhaps be done after consulting the Chief Engr. the offg as to whether the quota from Provl funds will be made available to the extent of $\frac{2}{3}$ or $\frac{1}{2}$ as the case may be.

5 Kankanahally Municipality is not in a position to Contribute its quota as the year opened with a minus balance and the budget Estimate provides for a similar balance. It is reported that reappropriations are not possible during the year.

6 A reference to the District Board to double their quota would involve some delay. It will be seen from the Executive Engineer's report that the proposed execution of repairs maybe classed as urgent. It is highly essential that Hospital buildings & grounds should be clean & tidy.

7. As the amount involved is not large, the quota payable from Provincial funds maybe raised from Rs 107-10-8 to Rs 215-5-4

22/4/13

9. Secondly, to save time, the file may be sent unofficially to the Chief Engineer, after issue of the letter to the District Board. The file will be re-submitted in due course for this purpose.

10. It may be noted that the estimate, though designated as urgent, consists of both urgent items. But in any case, the question of funds has to be settled before hand & the file may be treated as "Early".

There is a provn of Rs 300 on account of contributions towards repairs of dispy Buildings, in the current year's D.F. budget of the Bangalore Distt & the President has, in his letter of 19.11.12 addressed to the Executive Engr, Bangalore Sn stated that the D.F. grants of Contribution for the work—ie the usual one third of the cost will be paid, if required. Hence no enquiry as re: part of the usual Contribution from Distt Funds seems necessary.
